
Download Software Fingerprint Solution X100c

View the X100c fingerprint software download from the Pri Kay blog written by Lisa Wilson. 1. You want to use the fingerprint feature to identify yourself and unlock your Android device Just turn on the fingerprint recognition feature. If that doesn't work, try scanning again after a few seconds. 2. If the scanning does not work, you can try to save and load the fingerprint image file (DPOF) manually.
