## **System Requirements:**

**Recommended: Description: Alien Swarm is a space shooter that sets you on a mission to save mankind. The game has lots of space battles, excellent graphics and a thrilling plot. You take control of the player character (I chose the character "Rookie") and your task is to destroy the alien swarm to save the Earth. This is all made possible through the use of a powerful computer you have aboard your spacecraft, which you use to acquire weapons, shields, and give your little ship a makeover. You can equip**
